

# Ceramic Towers

8596T-6

The bodies of either of these towers can be inverted to create a different look. Choose from a bright Gold finish or high luster Chrome on the collar and base ring. The Barocco Ceramic is intricately embossed on the body and cap

These beautiful old-world Italian ceramic towers are available exclusively through AC Beverage, Inc. Choose from two different styles of towers in your choice of colors. These towers can be personalized with your own logo. These finely crafted ceramic towers are available with one, two, or three faucets with a round collar. Four, six, or eight faucets are available with the tee style.
