Please use the suffix "1" for dark oak base, "2" for light oak base and "3" for black base.

The solid wood base is available in three different shades with a clamp that will fit almost any bar. The towers come standard with a brass shank, 5' of 3/16" vinyl beer tubing, and brass fittings. Plastic shank, stainless steel fittings, or special tubing is also available for wine, ciders, or specialty drinks. *Faucets not included.*

Dispense Units for Wall Mount and Under the Bar

Slim line cabinets are perfect for tight installations where a smaller cabinet is needed. Double 4" holes are on both the bottom and back for easy installation.

Available in 13¹/₂" or 20" wide and with or without drip tray. Stainless Steel.
