

## TUBULAR Tee and Pass-Through Towers

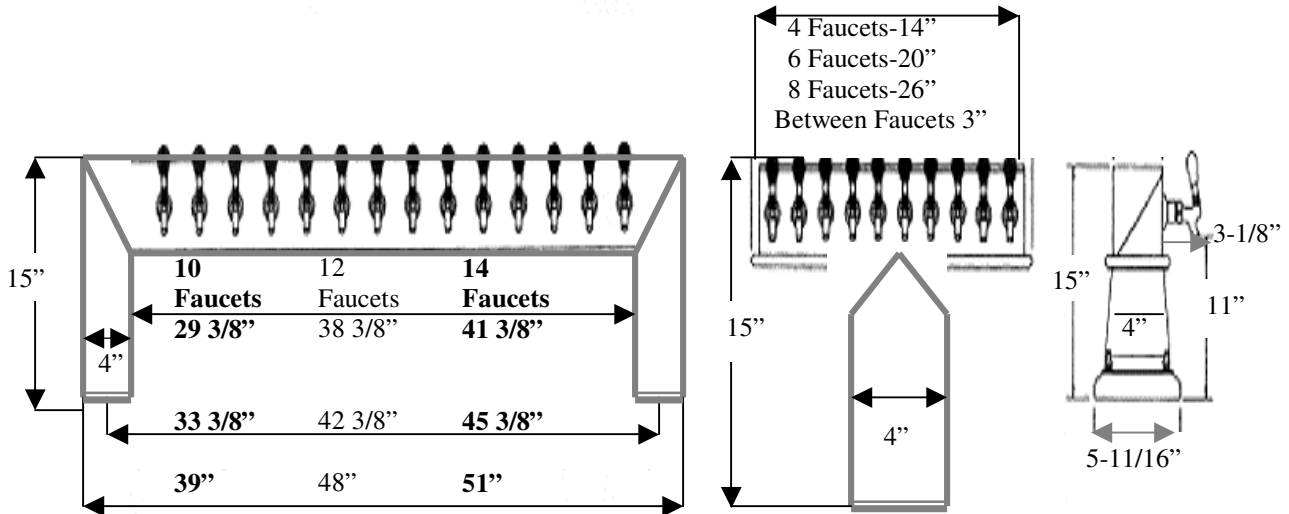

8520-62

8531-102

These distinctive yet durable tubular style towers are made with 4" diameter brass tubing. As with all of our dispensing towers, our unique design allows easy access to the inside of the tower. Tee style towers are available with 4, 6, or 8 faucets. Pass-Through towers are available with 10, 12 and 14 faucets.

### Pass-Through Style Tubular Standards
